The SARS is proud to announce the Third Annual SADC Workshop on Customs Co-operation and Trade Facilitation. This year the workshop is organised back-to-back with and will feed into the Summit of Heads of Customs of the SADC, which takes place at the same venue from the 7th to the 9th November 2001.

The SARS Commissioner and World Customs Organisation Council Chairman, **Pravin Gordhan**, will deliver the keynote address.

Speakers at the workshop include :

I. Docrat, General Manager: Trade Facilitation at TISA

The trading community and their agents are invited to share ideas with their partners in the customs administration. We regret however, that due to the size of the venue only invitees that confirmed with the organisers will be accepted.
