Definitions

1. In this Schedule any word or expression to which a meaning has been assigned in the Act shall have that meaning, and unless the context otherwise indicates –

“Exporter” means a person who trade table grapes for export for his own account, or acts as an agent on a commission basis on behalf of producers;

“Grape Producer” means a producer of table grapes intended for fresh table grape exports; and

“Vines” means vines intended for the production of table grapes.

A person shall have a choice to register as either a producer or an exporter. A person who is a producer as well as an exporter must register as a producer and as an exporter.

Purpose and aims of statutory measure and the relation thereof to the objectives of the Act

2. The purpose and aims of the statutory measure is to compel the parties set out herein to keep records and render returns to the Deciduous Fruit Producers' Trust (DFPT). This is necessary to ensure that continuous, timeous and accurate information relating to the products as defined, is available to all role players. Market information is deemed essential for all role players in order for them to make informed decisions. By prescribing the keeping of records with the rendering of returns on an individual basis, market and production information for the table grape industry can be processed and disseminated.

The establishment of the measure should assist in promoting the efficiency of the marketing of products. The viability of the table grape industry should thus be enhanced. The measure will not be detrimental to the number of employment opportunities or fair labour practice. Any information obtained will be dealt with in a confidential manner and no sensitive or potentially sensitive client-specific information will be made available to any party without the prior approval of the party whose rights are affected.

The measure will be administered by DFPT, a trust established in terms of section 6(1) of the Trust Property Control Act, 1988 (Act 57 of 1988). DFPT will implement and administer the measure as set out in the Schedule.
